

**HARD ROAD**  
**By: The Hedgerow Folk**

**B** **F#** **B**  
I've been asking you to keep me from the trials and the pain  
**B** **F#/Bb** **B**  
But now I'm asking you to keep me, Lord, no matter what my state  
**B/Eb** **E** **F#** **G#m**  
And when I wanna run, cause that's the easier way  
**E** **B** **F#** **B**  
My mind keep it pure, my heart keep it safe

Is it courage or surrender that you're drawing out of me  
Cause you lead my heart to follow though your footprints can't be seen  
And I can't make sense of where I've been or where this road will lead  
But everything over my head is underneath your feet

**E** **B**  
Set my feet upon the hard road  
**E** **G#m.** **F#**  
If that's the way to lead my heart to yours  
**E** **B**  
I'd trade it all for a glimpse of  
**F#** **E**  
The glory of the one who satisfies my soul

I've been back and forth between giving up and giving in  
And the light has left my eyes 'cause I've forgotten what you said  
So come and breathe upon the embers of my heart for they've grown dim  
And give me courage to get my hopes up again

**CHORUS 2x**  
**Tempo Change**

**E** **B**  
You gave me thoughts I didn't know I needed to think  
**F#** **G#m**  
You gave me songs I didn't know I needed to sing  
**E** **B**  
Water I didn't know I needed to drink  
**F#** **B**  
Until I got up next to you

Now I see the hardest parts  
Are the very places where you are  
So if you have to come and break my heart  
If it brings me back to you

**E** **B** **G#m** **F#**  
If there's one thing that I've learned, it's that you are worth it all  
**E** **B** **G#m** **F#**  
And no matter how it goes, you'll be waiting there, waiting there in glory
